I would like to express my heartfelt gratitude to your valuable participation and contribution to the National Mental Support Campaign launched by the National Program for Happiness & Wellbeing in March this year.

Your active engagement in providing mental support advice and expertise was invaluable in helping many individuals who are dealing with the current challenging times. With your participation, you enabled the campaign to further support the national efforts to offset the impact of the global coronavirus (COVID-19) pandemic. The campaign's success is underscored by your deep sense of volunteerism, dedication and commitment to serve the UAE society.

I wish you all the best and look forward to further successful collaboration with the National Program for Happiness & Wellbeing.

Sincerely,

Ohood bin Khalfan Al Roumi
